

I want to do a parents meeting following each try-out. Please feel free to ask questions.

All players must have a commitment check for 100 dollars. If you are on a team and pay by check you can deduct the \$100 dollars from the payment due on December 6th. If you pay by credit before December 6th you will receive your check back. If you are placed in the In House program you will have the option of receiving your check back or putting towards the \$100 dollars towards the In House Program. You will lose the \$100 dollars if you leave the team after team selections have been made. If you are a financial aid player, this fee may be waived.

I will post the teams on the blog on Sunday night. **Payment will be due no later than Sunday, December 6th.** You may pay online starting November 29th, Sunday night. (Your spot is held only after payment is received). All players will be placed on one of three teams. Regional, Open or In House. Parents please feel free to ask me any questions.

Sibling discount information

I have set up payment links to start on Sunday and close on the following Sunday, December,6th. I have included sibling discounts Online. Open teams -217.50, Regional -171.00, 14 U -93.75. The starting fees are higher for online payment. Therefore your discount is a little bigger but you still pay more. You must check the discount box in order to get the discount.

Payment with Check on December 6th. 1400 for open teams -210.00 sibling discount =**\$1190**, 1100 for regional - 165 sibling discount=**\$935.00**, 600 for 14 U -90 sibling discount total= **\$510.00**

Thank you,
Diane Short

I am committed to playing with Blast Volleyball Academy this year.

I understand that I will lose \$100 dollars if I leave the club after team selections on November 29th

\$100 Deposit required.
